

SALLAPUDI VINUTHNA KUMAR

AI ENGINEER

PH : +91 90149 08994 | E-Mail : vinuthna433434@gmail.com | Website : vinnu.wieetech.com

A Full Stack Developer with 1.5+ years of practical experience across multiple domains including recruitment, web development, and IoT-based solutions. Skilled in building scalable and efficient applications using technologies such as React, Python (FastAPI), PHP, IoT and SQL/NoSQL databases. Experienced in developing real-time monitoring systems, AI-powered applications, and data-driven platforms. Possesses strong problem-solving abilities, adaptability, and a keen interest in learning new technologies, with a proven ability to deliver end-to-end solutions in fast-paced environments.

EXEPERINCE :

IT RECRUITER

MAXZEN TECH SOLUTIONS PVT. LTD. (1.5 YEARS)

Handled end-to-end recruitment processes including sourcing, screening, and onboarding candidates for various IT roles. Collaborated with technical teams to understand hiring requirements and ensured timely closure of positions. Gained strong communication, negotiation, and talent evaluation skills.

SENIOR ASSOCIATE ENGINEER

IKRGY INFOTECH PVT. LTD. (PRESENT)

Led development tasks and contributed to system design and architecture. Built efficient backend services and improved application performance and reliability. Mentored junior developers and ensured code quality through best practices and structured development approaches.

SKILLS

- **Backend:** PHP (Core), Laravel, Python (FastAPI)
- **Frontend:** HTML, CSS, JavaScript, React
- **Databases:** MySQL, PostgreSQL, MongoDB
- **IoT & Hardware:** Arduino, Esp32, MQTT, SMTP
- **Concepts & Tools:** REST APIs, MVC Architecture, Authentication & Authorization, Database Design, API Integration

CERTIFICATES

- Full Stack Python Internship Certification
- Cloud Infrastructure Certification
- IoT Fundamentals Certification

INTERNSHIPS

- IoT Fundamentals Internship at T-Hub, Aditya College of Engineering and Technology (10 months)
- Python Full Stack Internship at SkillDzire for 6 months
- Cyber Security Internship at Verzeo for 6 months

PROJECTS

BYOD Monitoring Application

Developed an enterprise-level application to track network latency, user activity latency, and data usage. Designed real-time monitoring systems and dashboards to enhance device performance analysis and user activity tracking.

Aquaculture Monitoring System

Built an IoT-based solution to monitor aquatic life, including fish detection and health tracking. Implemented data-driven insights to improve fish cultivation efficiency and optimize aquaculture management processes.

VEE-GPT (AI Chat Application)

Developed an AI-powered conversational application similar to ChatGPT. Integrated natural language processing features to provide intelligent responses and enhance user interaction.

EDUCATION

B.Tech in Engineering

Aditya College of Engineering and Technology
CGPA: 7.00

Intermediate (MPC)

Sri Chaitanya Junior College
CGPA: 7.92

SSC

Anna Memorial EM High School
CGPA: 9.8

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
